Initial Response to Your Chosen Artist

In the space below answer the following **BEFORE** you research the Artist:

What do you feel is significant about this artists work? What makes you feel that way?

What kind of impact do you think this artists work has on it's viewers? Explain why you feel this way using examples from the artists work.

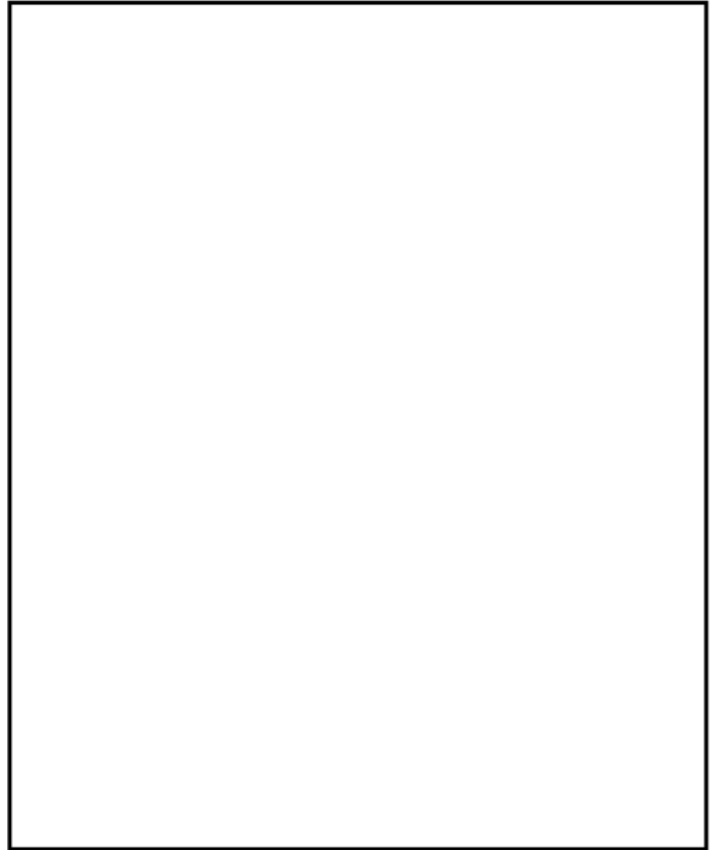

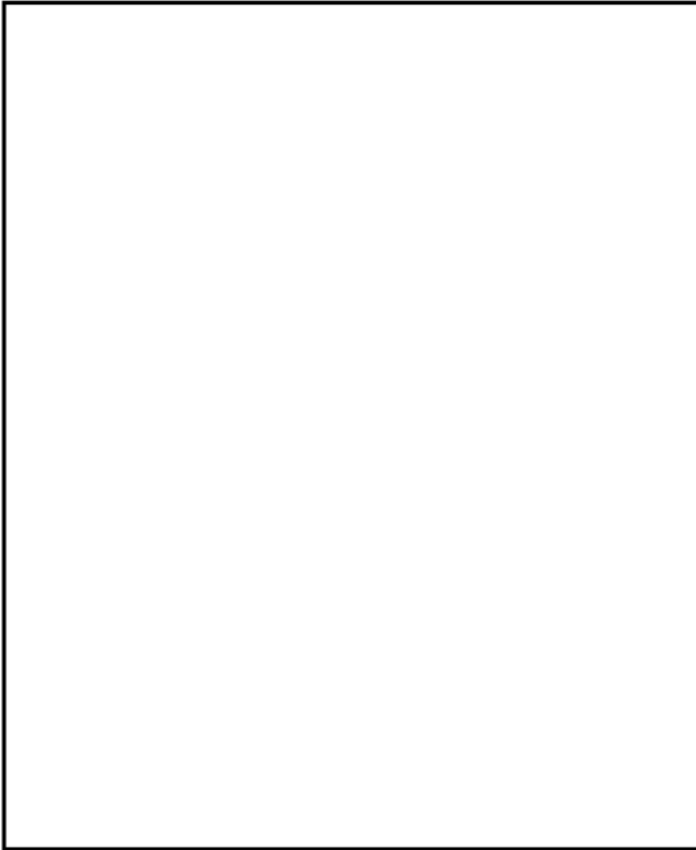

Criteria

Choose a recognizable character to portray in your artists style. The character can be a hero or a villain but should be a known character.

In the spaces provided create two versions of your chosen character. You will choose one of these as your final draft. UAMSAP! Include as many details as you can. Color them in using colored pencils.

Artist _____

Character _____

What are the important characteristics you should include to make your character recognizable?

What are the important style choices you will include to make sure your chosen artists style is recognizable?
