

Mentor & Mentee Opportunities at the 2019 Conference

Lunch with a Mentor

Sponsored by Davis Publications

CAEA is once again privileged to have the support of *Davis Publications* in bringing back the successful, action-packed ***Lunch with a Mentor*** for a second year, where Mentees meet with Mentors who will share their expertise and further support.

Come join ***Lunch with a Mentor*** at the 2019 Conference. Mentors will meet with interested mentees (one to five years' teaching experience) to connect and offer support in a variety of areas from lesson planning to class organization to professional development, while enjoying lunch.

Connections may be made to continue the dialogue for the duration of the conference or throughout the year.

- Seeking interested ***Mentees*** with one to five years' teaching experience who wish to connect with an experienced Mentor.
- Seeking ***Mentors*** to connect with interested Mentees at the *Lunch with a Mentor*, as well as to be added a CAEA spreadsheet of Mentors wishing to connect throughout the year with Mentees. Active-retired (Emeritus members), as well as active educators (15+ years of teaching experience) are welcome and encouraged to submit information to serve as a Mentor.

In order to assist us with planning, if you are interested in participating in this worthwhile program, please complete, scan, and email the information sheet below to ksfarros@gmail.com.

Response and Form Submission Deadlines

September 30, 2019: Mentor email response to Kathy Farros-Hoeppner

November 1, 2019: Submission of completed form by both mentors and mentees

Please note: submission of the form does not secure a place for mentees at the luncheon; mentee reservations for the lunch can be made when you register for the conference (<https://www.caea-arteducation.org/registration>); simply select *Lunch with a Mentor* in the Saturday Special Events section of the form. If you have already registered for the conference and did not include *Lunch with a Mentor* in your registration, it is easy to add it by emailing membership@caea-arteducation.org. The cost of the luncheon for mentees is \$15.

The mentor/mentee information sheet needs to be submitted separately from the conference registration.

Thank you for your time and expertise.

Enjoy the remainder of summer.
