The screenshot displays the ETT Virtual Conference 2020 app interface. On the left is a navigation menu with options: Search, Networking, Live Stream, Sponsors, Schedule, Announcements (with a red '4' badge), Presenters, and Live Polls + Q&A. Below the menu is a Cisco Platinum Sponsor banner. The main content area features a Google app card with the Google logo, the text 'Do the right thing. App Sponsor', and two buttons: 'I'M INTERESTED' and 'SCHEDULE MEETING'. Below the card are sections for 'OVERVIEW' (describing Google's mission and history), 'LOCATION' (Google Virtual Booth), and 'Schedule' (listing a Q&A session with Anna Kavanagh from Google at 12:30 PM).

OVERVIEW

Google's mission is to organize the world's information and make it universally accessible and useful.

Since our founding in 1998, Google has grown by leaps and bounds. From offering search in a single language we now offer dozens of products and services—including various forms of advertising and web applications for all kinds of tasks—in scores of languages. And starting from two computer science students in a university dorm room, we now have thousands of employees and offices around the world. A lot has changed since the first Google search engine appeared. But some things haven't changed: our dedication to our users and our belief in the possibilities of the Internet itself.
