

Greetings California Art
Education Association,

On behalf of the California School
Library Association and the 2016
Conference Committee, we want to
thank you for your partnership.

Your presenters Nancy Andrzejczak,
Ph.D. and Monique Poldberg brought
two fascinating sessions that enhanced

the energy of the entire conference.

We hope this is only the beginning of
the power of partnership. Keep us
informed about your state con-
ference with emails to our CSLA
Conference Coordinator, Janice

Gilmore - See:

We love our partners!
